STRIKE A BALANCE

A sculpture's balance is connected to its symmetry. An object is considered Symmetrical if you could draw a line down the middle of it and both sides would be nearly Identical. An object that is asymmetrical would not appear identical with a line down the middle. Can you select which of the following objects are SYMMETRICAL?

Tony Tasset, <i>Eye</i> , 2007.	Clouds	Butterflies
Rocks	Sunflowers	Honeycombs
Trees	Rainbows	Mark di Suvero, <i>Bornibus</i> , 1985-87.

LAUMEIER IN EVERY SEASON

Draw a line to match the season with the statement.

Spring	It's easier to see Raqs Media Collective's <i>If the World is a Safe Place Then...</i> , 2015, during this season since all the leaves are gone!
Summer	This is a great time to observe the leaves changing colors and reflect while spending time at Harriet Bart's <i>Without Words, A Reading Room</i> , 1998.
Fall	Visit Ken Lum's <i>The Space Between Scott and Plessy</i> , 2015, for some native flower and plant inspiration that is finally emerging after a long winter!
Winter	The Park's plants, animals and bugs are in full blooming glory during this season. Visit Mary Miss' <i>Pool Complex: Orchard Valley</i> , 1983-85, and imagine jumping into some refreshing water with your friends!
